

LEAN SIX SIGMA YELLOW BELT CERTIFICATION

ONLINE / SELF-PACED

STAY CONNECTED AND SET YOURSELF—AND YOUR TEAMS—APART

A Lean Six Sigma certification from the Terry College of Business sets you apart from your colleagues as being uniquely equipped with the right combination of analytical problem-solving, critical thinking, and process-improvement skills. Six Sigma is an enterprise-wide, data-driven methodology used to improve products and processes by increasing operational efficiencies and enhancing the customer experience. Terry's combination of instructor-led lectures, thought-provoking exercises, and best-in-breed material equip participants with tools to provide flawless execution, continuous process improvement, and peak operational efficiency across any organization.

Set yourself apart by earning a Lean Six Sigma certification from Terry College of Business. With this proven methodology, you will feel equipped to tackle any challenge ahead.

This program is accredited by The Council for Six Sigma Certification.

EXECUTIVE EDUCATION

LEAN SIX SIGMA YELLOW BELT CERTIFICATION

ONLINE / SELF-PACED

PROGRAM STRUCTURE

This self-paced online course introduces Lean Six Sigma principles and definitions, quality, and the DMAIC roadmap. Equip yourself with an in-depth focus on Lean Six Sigma's Define stage to learn more about Voice of the Customer and Project Charter. The program includes instructor-led videos and materials, exercises, and an exam.

TAKEAWAYS

- Learn principles of Lean Six Sigma
- Gain an understanding of the problem-solving DMAIC methodology (Define, Measure, Analyze, Improve, and Control) with an in-depth look at the Define phase
- Understand emerging trends in design thinking techniques

FACULTY

DONALD P. ADDISON II, DM

Dr. Donald P. Addison II is a lecturer at UGA's Terry College of Business where he is part of the Institute for Leadership Advancement. He is a practitioner-scholar providing both applied and research-focused organizational development and change management services ranging from qualitative and/or quantitative studies to onsite organizational interventions.

TROY A. MONTGOMERY, DBA

Dr. Troy A. Montgomery is an operations management faculty member at UGA's Terry College of Business where he teaches both undergraduate and graduate courses. He is a management, operations, and problem-solving advisor for SC&E Partners, a firm that partners with organizations who seek to prepare for, drive, execute, and sustain strategic change.
